2" PIPE THREADING MACHINE

INTERCHANGEABLE WITH MODEL 300

Unmatched Durability, Portability, and High-Performance
Pipe Threading Machine

Global Leader in
Waterworks Tools Since 1957

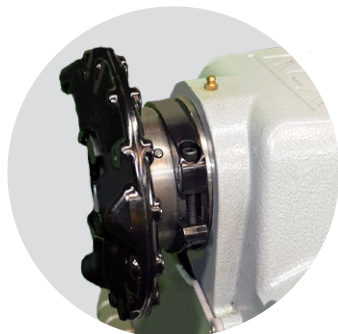

**MODEL
300**
INTERCHANGEABLE

MODEL 8190

2" PIPE THREADING MACHINE

COMPLETE INTERCHANGEABILITY WITH THE **MODEL 300 DIES AND DIE HEADS**

This portable and compact, high-performance threading machine has a self-opening die head and through die head oiling. Completely equipped to cut, thread and ream.

The built in adjustment ring eliminates any slack between the main shaft and the main shaft bearing.

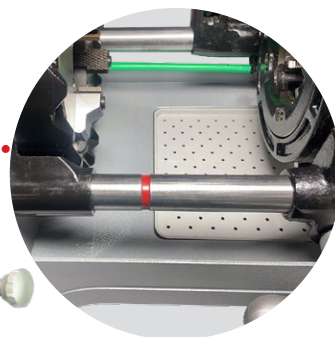

OPTION:

60519 - Collapsible Cart

Other machine options available: 8196 & 8197

Made in JAPAN

The new Model 8190 adds 1" of stroke over the previous 8090 model making it easier to work with.

The carbon brushes can be easily replaced through the windows on both sides of the main body
